

Three horizontal number lines are shown, each with tick marks and numerical labels indicating segment lengths. The first line has segments of 100, 860, and 30. The second line has segments of 38, 62, 44, 372, 29, 372, 44, and 25. The third line has segments of 100, 130, 120, 298, 120, 29, 100, 63, 103, and 180.

The diagram is a detailed architectural floor plan of a kitchen, labeled "KUCHNIA" at the bottom. It shows a U-shaped layout with various dimensions and structural specifications.

Dimensions:

- Overall dimensions:** 380 cm (top), 336 cm (middle), 380 cm (right), 201 cm (bottom left), 44 cm (top left), 44 cm (top right).
- Internal dimensions and offsets:** 60 cm, 76 cm, 100 cm, 103 cm, 120 cm, 145 cm, 180 cm, 200 cm, 205 cm, 336 cm, 380 cm.

Structural and Material Specifications:

- Beam:** "Poz. l. belka 30x30 cm" (Position l. beam 30x30 cm).
- Reinforcement:** "2xL19/150", "2xL19/130", "2xL19/130", "2xL19; L=1,40 m".
- Brickwork:** "BT/350", "2x BT/350", "3x BT/350".
- Notes:** "strzępie głębokości 10 cm w co drugiej warstwie muru" (notch depth 10 cm in every second brick course).
- Other labels:** "hp= 130", "90", "200", "100", "7", "9", "20".

The plan includes a sink and stove area at the bottom, indicated by a dashed line and a small icon. The layout is defined by solid lines, with dashed lines indicating internal divisions and reinforcement positions.

KUCHNIA
